

# HOUSE OF COLOUR DUBAI PRESENTS

## "Second Hand Rose"

A sale of Designer/Branded/Nearly New/Pre-loved items

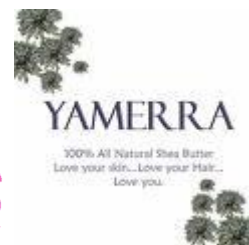

How it works ....

There will be two separate sales taking place in one week, Wednesday 17<sup>th</sup> of March and Saturday 20<sup>th</sup> of March, from 10 am til 3 pm

What we need from you is any Designer Branded clothes/accessories that are no longer in your colour palette, you price them and get them to us at the Colour Studio at the Lakes and we do the rest. We will take a small commission of 10% for the items that are sold, no sale, no fee, simple.

On the days of the Sale we will be inviting along some friends ... Karen from Pink Makeovers is coming along to offer make up advice, Juliette from Lovelinks is coming too, and as ever there will be our wonderful range of Seasons Jewellery. For a sweet treat Suzanne from Toffee Princess will be on hand with her wonderful Scottish Tablet. Melonie is also coming along with her Yamerra skincare range, wonderful natural products.

We look forward to seeing you at one of the sales, Janet and Debbie
